RE: Planned Giving Report for Q2 of 2019

The attached reports outline the development activities and results of the Gift Planning program as carried out by Lutheran Foundation Canada throughout the second quarter of 2019. For reference, the following categories have been used to define the types of gifts being reported:

Direct Gift - a lifetime gift received, often by way of transferred shares, but also by cash or cheque

Bequest Gift - a gift received from an estate settlement

Deferred Gift Established - a planned, future estate gift directly attributable to the work of a Foundation Gift Coordinator, often after the donor attending an Estate Planning Seminar

Deferred Gift Identified - a previously planned, future estate gift, of which a Gift Coordinator has been notified

Included for your information are the following:

Page 1 is the **Activity Report for Q2 2019**, which indicates the total value of gifts as either received, established or identified each month. The upper table compares budgeted and actual amounts for each gift type within each region by month, whereas the lower table shows anticipated and actual amounts allocated to each organization, **as stipulated by the donors**. The Budget amounts for organizations shown in the lower table are based upon historical information only. The Gift Coordinators work on behalf of all LCC organizations and congregations equally, encouraging donors to give where their passions lie.

Page 2 - 8 is the **Monthly Detail Report**, which provides more information regarding each gift, using the same definitions as above, showing where and how the donor has designated their gift to be disbursed once it is received.

Page 9 is a list of congregations designated by donors in 2019 to receive either current or future gifts.

With **16 additional gifts** in the second quarter, the total gift amount is **\$3,475,810**, with **\$555,810 already received this year, and disbursed to the beneficiaries**. May God be praised!

Page 7 is a summary of the gift designations planned or received in the last ten (10) years, totaling just over \$63 million. These allocations have been stipulated by the donors, either within their will or within a *Gift Allocation Agreement* they signed with Lutheran Foundation Canada.

Gift Coordinators work on behalf of all LCC organizations equally, promoting, encouraging, assisting, stewarding, and managing the development of planned (estate) gifts or significant lifetime gifts as part of a Christian's overall stewardship plan. It has been our experience that donors are excited about the opportunity to create a gift within their estate, supporting a ministry for which they have a passion.

For a listing of future seminars in your area, visit the Foundation's **NEW** web site, at www.lutheranfoundation.ca with more information provided, and a great new look. If you have any questions regarding this report or require further clarification, please do not hesitate to contact me.
