RE: 2019 Year-end Gift Report

It is not by accident the foundational line of our logo, as seen above, are the words:- "Reflecting God's Grace". God's grace is unfathomable, infinite, and without reservation, as demonstrated within the parable of the prodigal son. God is always reaching out to us, welcoming us with open arms, as a caring and loving father. Of course, it would be impossible for us to ever come close to the grace that God has shown us, the complete forgiveness of all our sins. But as His children, we have an opportunity to respond to God's grace in how we treat others, and in how we use God's gifts of time, talents, and treasure to serve Him and His church.

With the assistance of Lutheran Foundation Canada, many of LCC's members have responded to this opportunity by establishing a charitable gift to support their church. Some through their estate, by giving back a portion of God's earthly treasures accumulated over a lifetime, and others who have the financial means, by making a special gift to support a specific need while they are yet living, so they might see the fruits of their gift.

The attached report outlines the results of the Gift Planning activity carried out by Lutheran Foundation Canada throughout 2019. The first page provides a summary of both received and future planned gifts, indicating the total amount allocated for each beneficiary in 2019, as designated by the donors themselves. Praise be to God!

As you read the detailed "Notes" on the Monthly Detail Report, notice the vast range of gifts, not only by size, but by type, and how they are to be disbursed. To better understand the notes, Direct and Bequest Gifts are current gifts which have already been received and disbursed, whereas Established or Identified gifts are future planned gifts, yet to be received from the donor's estate at the time of their passing. Current and future mission and ministry is made possible by each and every one of these gifts.

Following the Monthly Detail reports is a summary of the specific congregations designated by the donors in 2019 to receive a gift, either as a current gift or as a planned future gift. These gifts to congregations are incredibly important as they support and enhance the long-term viability of a local congregation.

Lastly, is a summary of the gift allocations planned or received in the last eleven (11) years, totaling just over \$68 million. These allocations have been stipulated by the donors, either within their will or within a *Gift Allocation Agreement* they signed with Lutheran Foundation Canada.

Gift Coordinators work on behalf of all LCC organizations, promoting, encouraging, assisting, stewarding, and managing the development of planned (estate) gifts or significant lifetime gifts as part of a Christian's overall stewardship plan. Donors are excited about their opportunity to create a charitable gift within their estate supporting a ministry for which they have a passion, and the Foundation is blessed to be able to assist them in its development and fulfillment.

For more information on establishing a gift, or to see a listing of future seminars in your area, visit the Foundation's web site, at www.lutheranfoundation.ca. If you have any questions regarding this report or require further clarification, please do not hesitate to contact me.
