Job Description:

Your primary responsibility as a Gift Coordinator is to identify, encourage and meet with individuals to develop planned (estate) gifts for our congregations, seminaries, and organizations belonging to the Lutheran Church-Canada (LCC) Synodical family. Your focus on planned gifts would be shared through seminars, webinars, brief talks after Sunday service, or at board meetings and conventions, using these opportunities to outline the importance of good Christian stewardship as it applies to estate planning. Your important work will help sustain the mission and ministry of our many LCC organizations.

Qualifications:

- Be passionate about the various ministries associated with LCC and about opportunities to assist individuals wishing to support these ministries.
- Must be a member of a LCC congregation

Responsibilities:

- Meet with individuals to assist them in developing their gift plan.
- Work with team members to develop and implement marketing programs.
- Prepare customized planned giving proposals based on each donor's asset base.
- Share general knowledge regarding other key aspects of estate planning.
- Work with church members and pastors to promote planned giving.
- Schedule and present planned giving webinar and seminars.
- Travel to congregations throughout the Region or to attend conferences as necessary.

The selected candidate will be expected to attend a one-week course on gift planning, provided by the *Canadian Association of Gift Planners*, followed by on-going mentorship to assist in developing greater knowledge.

Your salary will be commensurate with your experience, and all travel costs are reimbursed.
